Fee must be paid to be registered.
Fee includes all supplies.
WHERE: Greensville/Emporia
Extension Office
105 Oak Street, Emporia
DEADLINE TO REGISTER: Friday, April 10, 2015

Why throw out composting trash when you can turn your trash into rich soil? Get a bin for yourself or share a bin with the family and learn how to compost with red wiggler worms, plus vermicomposting is natural and earth friendly! You can also learn what dirt worms are edible!
