

## AmeriCorps at Virginia State Parks

**Serve in a place where you can help others discover the wonders of the natural world, explore our rich history and learn to preserve and protect our treasures for future generations!**

Virginia State Parks are active places where kids, parents and community members come to get together, play and enjoy nature. Join AmeriCorps and be part of a team that designs and leads environmental education programs for park guests. And help park staff engage volunteers in meaningful trail improvement projects.

**In return for a season of committed service members will receive:**

- Living Allowance of \$3,850
- \$2,114 Educational award
- Training in the natural resource and public service fields
- Professional development and networking opportunities
- Housing available at some locations

Program runs April – August 2015. Members must complete 675 hours of service to be eligible for educational award. You can apply to serve at any of our 35 parks across the Commonwealth!
