# Summer Enrichment Program in Agriculture & Environmental Science

## JUNE 22 – 26, 2015

**FREE  
 FOR ELIGIBLE  
 STUDENTS!**

**VIRGINIA STATE UNIVERSITY CAMPUS & RANDOLPH FARM**

*Classroom Learning • Field and Lab Activities  
 Stay on Campus • All Meals Provided*

Gain hands-on experience with the world around you through VSU's innovative agriculture & environmental science programs. During the five-day program, participants will learn from experts through experiential learning activities (classroom, lab and field) about:

- Healthy lifestyle habits • Exploring aquatic plants and animals**
- Water and environmental issues • Food and ornamental crops production**
- Animal production and handling • Resumé building & interviewing skills**
- Life as a college student • Career opportunities with the USDA and other federal, state, private industry jobs**

**APPLICATION REQUIREMENTS:** Admission is restricted to rising high school juniors and senior interested in STEAM disciplines: science, technology, engineering, agriculture, and math. Students are required to submit a one-page essay covering career goals and reasons for interest in the summer enrichment program.

**APPLICANTS WHO ARE ADMITTED WILL BE NOTIFIED NO LATER THAN JUNE 1.**

*Up to two \$1,000 scholarships will be awarded to participants who enroll in VSU's Department of Agriculture.*
