

MID-SEASON FIELD CROP SCOUTING CLINIC

On Wednesday afternoon, July 17th, the Southampton County Extension Office is hosting a mid-season field crop scouting clinic at Flaggy Run Farms in Courtland. Snacks and refreshments will be provided to participants for no charge during the program. This will be a relaxed event, held outside, weather permitting. We will meet at the shop and head to the field from there.

Dr. Sally Taylor, Extension Crop Entomologist, will talk with us about insect management in a variety of row crops, demonstrate proper scouting techniques, and also speak to what they've observed so far this season through their scouting efforts.

Please RSVP by July 16th by calling the Extension office at (757)653-2572 to let us know you're coming. We ask that you respond so that we will have enough refreshments for everyone.

If you are a person with a disability and desire any assistive devices, services or other accommodations to participate in this activity, please contact the Southampton Office at (757)653-2572 during business hours of 8 a.m. to 5 p.m. to discuss accommodations at least 3 days prior to the event. *TDD number is: (800)828-1120.

Virginia Cooperative Extension programs and employment are open to all, regardless of age, color, disability, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, veteran status, or any other basis protected by law. An equal opportunity/affirmative action employer. Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperating. Edwin J. Jones, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; M. Ray McKinnie, Administrator, 1890 Extension Program, Virginia State University, Petersburg.
